## EXHIBIT A (BACK) EXPLANATION OF THE VALUE CHANGE NOTICE

Dear Property Owner:

The enclosed Notice of Change in Assessed Value indicates there has been a change in value of your property for one of the following reasons:

- Reassessment: According to Missouri Law, all property in Franklin County is reappraised every two years.
- New Construction: This includes new homes, additions, remodeling or any other new improvement made prior to January 1st. If your new construction project was not complete by January 1st of the current year, contact our office immediately.
- Changing from Partial Assessment to Full Assessment: A new residential structure partially assessed in the previous year is now assessed at full value.
- New Parcel: The creation of new subdivisions or lots where a new parcel number has been assigned to a property.
- Split or Combination: This is a result of a portion of a larger property being sold to a new owner or combination of two adjoining parcels owned by the same person.

#### How Property Values are determined:

All properties except farmland are valued as the property relates to the market. This value is called the Appraised Value and is the price that the property could be expected to bring if offered for sale.

Appraised Values are developed by these common approaches as they apply to the property; (1) recent sales of similar properties; (2) the cost of replacement less depreciation; and (3) the income and expense of operating a building with commercial use, apartments, offices, stores, etc.

#### How Property Taxes are determined:

The Appraised Value is multiplied by the Assessment Rate to determine the Assessed Value. Assessment Rates are established by the State of Missouri for each class of property as follows:

Residential 19% Agricultural 12% All Other 32%

if you have questions about these terms and how they relate to your property, call the Franklin County Assessor's Office within 10 days of receipt of the enclosed Notice.

Estimating Taxash Figurals to est matayour sied you may use the following formula.

New Ansestation face minition is previously earls tax rate if tour displacements.

#### To Appeal your Assessment Valuation:

If you wish to appeal the value of your property you must provide proof that the value assigned to your property

is incorrect. You may provide the following information to support your claim: sales contracts, appraisals, income and expense information, documented sales of similar properties in your neighborhood (all must be current documentation dated late last year), pictures, blueprints or evidence of significant property data errors regarding your property.

Informal Hearings: We request that you schedule an informal hearing before proceeding on to the Board of Equalization hearings. This meeting allows for an exchange of information regarding your property. Informal hearings will be conducted Monday through Friday.

Board of Equalization: If after the informal hearing you are not satisfied, you may file a protest with the Board of Equalization, the appeal must be on a BOE form from the assessor's office or downloaded from the website. The form must be submitted to the Board of Equalization before the second Monday in July. The property owner is cautioned that failure to file with the BOE prevents any further appeal to the State Tax Commission.

State Tax Commission Hearings: Hearings will be conducted only after you have appeared before the Board of Equalization during the current year, and have filed the proper forms with the State Tax Commission by September 15th or 30 days after the Board of Equalization's decision, whichever is later. This appeal will be conducted on a formal basis.

For additional information contact the State Tax Commission of Missouri, P.O. Box 146, Jefferson City, MO 65102-0146, Phone (573) 751-2414.

#### Section 7-1 Work Schedules and Attendance

Staffing needs and operational demands may necessitate variations in starting and ending times, as well as variations in the total hours that may be scheduled each day and week. It is the employee's responsibility to sign their time record to certify the accuracy of all time recorded. The supervisor will review and then sign the time record before submitting it for payroll processing. If corrections or modifications are made to the time record, both the employee and the supervisor must verify the accuracy of the changes by initiating the time record. Falsifying a time record is a breach of county policy and is grounds for disciplinary action, up to and including termination of employment.

#### Section 7-3 Attendance and Punctuality

Regular attendance and punctuality is expected of all county employees. In the rare instances when employees cannot avoid being late to work or are unable to work as scheduled, they should notify their supervisor as soon as possible in advance of the anticipated tardiness or absence. Employees who have poor attendance and/or excessive tardiness or failure to report to work without prior notification, may be subject to loss of pay and other more serious disciplinary actions, up to and including termination of employment.

Employees who are absent from work for three consecutive days without giving proper notice will be considered as having voluntarily quit.

- (7) The general conditions for earning and accruing PTO hours are as follows (the terms annual leave hours and PTO hours are interchangeable and are intended to replace personal leave days, vacation days, and sick leave):
  - (a) The standard practice in all offices and departments shall be for employees to schedule vacations in advance utilizing PTO hours through the appropriate elected official or department head. Vacations, through the use of PTO, are to be encouraged but must be arranged and scheduled in order to ensure that the needs of the County are met. All elected officials and department heads shall develop procedures to clearly allot PTO time while accomplishing the mission of the office or department. Employees who request PTO without having it scheduled in advance, or, at a minimum, providing two (2) weeks' notice prior to the desired commencement date stand the chance of having such request denied if the demands of the office dictate that the leave not be allowed.
  - (b) Each year of prior continuous employment with the County shall be counted in determining years of service for accrual of PTO. If an employee terminated his employment with Franklin County or such employment is terminated by the County and thereafter the employee is rehired, the employee shall commence such new employment with no accrued benefits, unless approval is obtained from the appropriate elected official who may reinstate the employee with all previous benefits to include seniority for purposes of PTO determination. If, however, an employee with the approval of the elected official is placed on a long term leave of absence (see Section 9-1-c) and desires to return to work and a position is available commensurate with that which was held prior to the long term leave of absence starting, such employee may be reinstated with all previous benefits to include seniority for purposes of PTO determination. If an employee is granted a long term leave of absence such will be without pay or benefits while on leave excepting only the ability to purchase medical and health insurance. No employee will be granted a non-health related leave of absence without first exhausting all PTO benefits and will be granted a health-related leave of absence without having exhausted PTO and catastrophic illness.
  - (c) An employee shall continue to earn PTO hours during a period of paid leave regardless of what type of paid leave the employee is utilizing.
  - (d) An employee shall not earn PTO hours during a period of leave without pay.

- (e) An employee may take PTO leave hours only when authorized by his supervisor.
- (f) For any eligible employee employed as of June 16, 2020 any accrued PTO in excess of 80 hours shall be banked for Catastrophic Illness purposes up to the maximum allowable. Any days not so banked shall be forfeited.
- (g) Eligible employees may carry over a maximum of 80 hours PTO.

#### Section 9-1-c Leave of Absence without Pay

Leave of absence without Pay. The appropriate elected official, or in the case of employees under the County Commission the Human Resources Administrator, may grant an employee a leave of absence without pay. Notice of a grant for leave of absence without pay shall be forwarded to the Commission and made a part of the employee's personal file. The general conditions for granting a leave of absence as contemplated herein are as follows:

- (a) The employee must submit a written request to the appropriate elected official or Human Resources Administrator, as the case may be, for a leave of absence without pay and must include the anticipated beginning and ending dates of the leave and the specific reasons for the leave.
- (b) For a leave of absence without pay, the employee will be required to exhaust accrued PTO days and compensatory time prior to being granted the leave of absence and if the leave is necessitated because of illness, the employee will be required to exhaust PTO hours and catastrophic illness days.
- (c) PTO hours shall not be earned during a period of leave of absence without pay.
- (d) Only employees with ten (10) years or more of service shall be entitled to request a leave of absence without pay except for those situations involving drug or alcohol abuse treatment or hardship situations. No employee granted a leave of absence shall be guaranteed a position upon termination of their leave of absence. Any employee who has been granted a Leave of Absence Without Pay may continue his or her medical health insurance in force for a period not to exceed twelve (12) months by paying the full cost thereof. Under no circumstances shall the County continue to pay the cost of medical and health insurance for more than thirty (30) days.
- (e) The foregoing to the contrary notwithstanding, the County Commission, acting by and through the Human Resources Administrator, or the appropriate elected official may grant a "hardship leave of absence" under appropriate circumstances for an employee with less than ten (10) years of service. In determining whether or not to grant a "hardship leave of absence", the Human Resources Administrator or the appropriate elected official, as the case may be, may consider such things as the grounds which gave rise to the hardship, the length of absence requested, the impact on the office or department and the impact on the employee.

#### Section 9-2 Catastrophic Illness Leave Philosophy

All employees shall be entitled to all benefits of the FMLA. It is the intent of this policy to coordinate to the maximum extent possible the benefits provided by the FMLA as established by Federal Law and the Catastrophic Illness Policy as established by Franklin County. The benefits provided by the FMLA shall run concurrent with utilization of an Employee's paid leave benefits. Applications for benefits under either program should be made as far in advance as possible. In the event the need arises as a result of an unanticipated illness or injury the application should be made as soon as possible after the onset of the illness or injury. Application must be made on forms provided by the Human Resources Department.

#### Section 9-2 Catastrophic Illness

Franklin County has established, for the benefit of its employees, a Catastrophic Illness Leave Policy (formerly Medical Leave Bank) benefit for its employees to be used in the event an employee, or a member of an employee's family within the limitations set forth herein, encounters a catastrophic or severe illness, injury or severe medical condition. Each employee shall have the number of days hereinafter set forth deposited in his or her bank on a monthly basis.

#### a. Eligibility

#### (1) Employee Utilization.

Each eligible employee shall utilize his or her Catastrophic Illness benefits before the employee has exhausted all available PTO and compensatory time. Any situation which would qualify for Family Leave Medical Act (FMLA) Benefits shall be so designated regardless of whether or not the employee applies for FMLA Benefits. The one (1) day requirement shall not apply to absences related to "waiting periods" under worker's compensation.

#### (2) Family Members.

An employee may also utilize Catastrophic Illness leave benefits to care for the employee's family members as hereinafter defined who has a serious health condition that qualifies and is designated in advance as leave under the Family and Medical Leave Act (FMLA). For purposes of this section, family member is defined as a spouse, child, parent, sibling, grandchild, father-in-law or mother-in-law, stepchild or grandparent. Catastrophic Leave benefits may only be allowed for the care of family members with serious health conditions other than those defined herein if requested in writing by the employee and approved in advance by the department's elected official or the Human Resources Administrator for those employees under the County Commission.

#### b. Waiting Period

A waiting period of 60 calendar days must be completed and the affected employee must not be in an introductory status, before earned Catastrophic Illness Leave may be used. After that time, employees may request use of paid Catastrophic Illness leave including that accrued during the waiting period.

#### c. Accrual of Catastrophic Illness Leave

Full-time employees who have completed 60 days, excluding 12 and 10-hour employees in the Sheriff's Department, shall accrue Catastrophic Illness Leave at the rate of one-half day per month for a maximum of six (6) days annually to be used solely for the purpose of adding to the employee's Catastrophic Illness Bank. Leave will be earned on the last calendar day of each month. No Catastrophic Illness Leave may be taken in advance of it being accrued. Ten and 12-hour employees shall accrue Catastrophic Illness Leave at the rate of 4.0 hours per month. Employees in part time positions with limited benefits shall accrue Catastrophic Illness Leave on a prorated basis.

#### d. Catastrophic Illness Leave Limitations

#### (1) Limits

Catastrophic Illness Leave may not be accrued for any purpose other than those set forth in this policy. An employee shall under no circumstances be entitled to accrue more than 60 days in an employee's Catastrophic Illness Bank. Any employee that has accrued more than 60 days in the employees' Catastrophic Illness Bank as of June 9, 2020 may continue to utilize those days however that employee shall not accrue additional Catastrophic Illness Leave until that employee has used enough Catastrophic Illness Leave to bring the total accumulated days in that employees' Catastrophic Illness bank below 60 days.

#### (2) Rehire.

If an employee separates from County service and is rehired any time after a period of 30 days, Catastrophic Illness Leave will be considered as for any new employee. If an employee is rehired within the 30 day period, they will not be required to meet the waiting period and they may, if approved by the elected official or department administrator or Human Resources Administrator for employees under the County Commission, have their unused Catastrophic Illness balance reinstated.

#### 9-2-b Health Care Provider's Statement

If an employee is absent for one (1) day due to illness or injury or medical condition, a licensed health care provider's statement must be provided verifying that the employee is unable to work with estimated dates as to when the employee may return to work. Before returning to work from an absence, because of an illness or injury or medical condition, an employee will be required to provide a health care provider's certification that they may safely return to work. An elected official, department administrator, or the Human Resources Administrator for employees under the County Commission, may also require a health care provider's verification at any time from an employee whose frequent use of sick leave negatively affects their job performance and/or the operation of the department. The verification may be required as a condition to receiving paid Catastrophic Illness Leave benefits. For the purposes of this Section and this Policy and the term "medical condition" shall mean the bonding period after the birth and adoption of a child. An employee who is either the mother or father of a newly born or adopted child shall be entitled to use Catastrophic Illness Leave for a period of time not to exceed the time which would be available under FMLA so long as the employee has a sufficient number of days in his or her bank.

This information obtained from health care provider's statements and other medical inquiries is considered confidential medical information and must be kept confidential and separate from other personnel records. In addition, its use must be job-related and consistent with business necessity. The County will not use the information obtained to unlawfully discriminate against any employee in any employment practice.

#### Section 9-2-c Unused Catastrophic Illness Leave

Paid Catastrophic Illness Leave benefits are solely to provide income protection in the event of catastrophic illness or injury of the employee or immediate family member, and may not be used for any other absence except as set forth in this policy. Unused Catastrophic Illness Leave benefits will not be paid to the employee while they are employed or upon termination of employment or retirement except for those employees that were designated days in the "personnel Status Audit" in 2004 AND 2005 under the direction of County Commission who may be eligible for limited payment.

#### Section 9-2-d. Other Employment

An employee will be ineligible for any paid Catastrophic Illness benefits if the illness or injury is or would be considered compensable under an outside employer's workers' compensation coverage. An employee who is unable to report to work with the County will be denied the use of PTO and/or Catastrophic Illness benefits if they perform work for an outside employer during the same workday. An employee accepting county-paid Catastrophic Illness Benefits while performing work duties for another employer during the same workday may be subject to disciplinary action up to and including termination.

#### Section 9-2-e. Catastrophic Illness Leave and Other Leave Time

#### (a) Non-paid Leave

Employees will not accrue Catastrophic Illness Leave credit during a month in which they experience two (2) or more days of non-paid leave time unless such additional non-paid leave time was recommended by their elected official or department administrator and was approved by the County Commission, acting by and through the Human Resources Administrator, unless the employee was on Military Leave, Jury Duty or on leave covered as a work related injury.

#### (b) Holidays

If a holiday falls during a said Catastrophic Illness Leave, employees eligible for such holiday will be paid holiday pay and not charged for paid Catastrophic Illness Leave.

#### (c) PTO

If verification is not provided, the PTO will remain as PTO.

#### (d) Family and Medical Leave Act (FMLA)

Once Catastrophic Illness Time commences during an FMLA qualified leave, such leave runs concurrent with FMLA leave.

#### Section 10-1 Purpose

In accordance with FMLA, Franklin County provides unpaid family/medical leaves of absences to eligible employees who are temporarily unable to work due to one of the following reasons:

- (a) For the birth of a child and to care for such child, or placement of a child for adoption or foster care;
- (b) For the care of the employee's spouse, child, or parent who has a "serious previous health condition" as defined by FMLA; or
- (c) For the employee's own "serious health condition" which prevents the employee from performing their own job as defined by FMLA.
- (d) Military Family Leave/Military Caregiver Leave/Exigency Leave
  - (1) New Qualifying Reason for Leave. Eligible employees are entitled up to 12 weeks of leave because of "any qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation. By the terms of the statute, this provision requires the Secretary of Labor to issue regulations defining "any qualifying exigency". In the interim, employees are encouraged to provide this type of leave to qualifying employees.
  - (2) An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12-month period to care for the service member. This provision became effective immediately upon enactment (January 28, 2008). This military caregiver leave is available during a "single 12-month period" during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave.

To qualify for FMLA leave, the employee must meet the requirements of the FMLA and accompanying regulations. Any FMLA leave granted will count against an employee's annual FMLA leave entitlement.

#### Section 10-2 Responsibility

It is the responsibility of the employee to make requests for family and medical leave with their employer, Franklin County, through their elected official, department administrator, or County Commission acting by and through the Human Resources Administrator for employees under the County Commission. All requests for FMLA leave will be coordinated with the Human Resources Department.

#### Section 10-3 Policy Statement

It is the policy of Franklin County to adhere to the requirement of the Family and Medical Leave Act of 1993 (FMLA) and create a friendly environment between the employee and the County.

#### Section 10-4 Eligibility Requirements

Employees are eligible for unpaid family/medical leave benefits if they meet all requirements of provisions of the Family Leave medical Act.

#### Section 10-5 Determination of 12-Month Period

Eligible employees may request up to 12 weeks of unpaid family/medical leave within a rolling 12-month period.

#### Section 10-6 Coordination of Paid Leave

Employees will be charged all available paid leave and benefits time, to run concurrent with approved FMLA leave.

#### Section 10-7 Leave Provisions for Spouses Both Working for Franklin County

In any case in which spouses entitled to leave under FMLA are both employed by Franklin County and leave is taken for the birth and care of a healthy child or for placement with the employee for adoption or foster care, or to care for a sick parent, the maximum combined leave for both spouses is 12 weeks during a 12 month period. If leave is taken to care for an ill child or spouse, each spouse is entitled to 12 total weeks of leave during a 12 month period.

#### Section 10-8 Advance Notice

As soon as practical after an eligible employee becomes aware of the need for a FMLA leave of absence, they must request and submit a "Request for Family and Medical Leave of Absence" to their supervisor.

Employees ordinarily must provide 30 days advance notice when the leave is foreseeable. When an employee is requesting leave for their own planned medical treatment or for planned medical treatment of a family member, under FMLA, the employee must make a reasonable effort to schedule such leave so as not to unduly disrupt the operation of their department. This is best achieved by advance consultation with the employee's supervisor.

#### Section 10-9 Medical Certification

Failure to provide the required medical certification from a health care provider, as defined by FMLA, as set forth herein may result in denial of the requested FMLA leave.

#### (a) Employee Medical Leave

Employees requesting medical leave for themselves will be required to provide a medical certification form verifying the seriousness of the health condition, unless it is inpatient medical care, in which a medical certification will be required in every instance. Any major changes in medical status must be promptly reported to their elected official, department supervisor, or the County Commission acting by and through the Human Resources Administrator for employees under the County Commission. Recertification may be requested every 30 days.

#### (b) Family Medical Leave

Employees requesting family leave related to caring for a child, spouse, or parent with a "serious health condition", will be required to provide a medical certification verifying the illness, its beginning and expected ending dates, and the need of the employee to provide care. Such medical certification will be provided with the employee's request for leave, except for an unforeseen event, when the certification must then be provided within three business days.

#### (c) Second Opinion

If the submitted medical certification is not sufficient, the elected official, department supervisor, or the County Commission acting by and through the Human Resources Administrator for employees under the County Commission, may require a second opinion at the county's expense. If the first and second opinions do not agree, the county and the employee will coordinate the selection for a third opinion at the county's expense. The third opinion will be final and binding. The requirement for additional opinions shall apply to employees as well as family members who are the basis for requesting leave.

#### Section 10-10 Leave Taken Intermittently or on a Reduced Leave Schedule

Employees may request intermittent leave, or leave on a reduced leave schedule, under FMLA when this type of leave is medically necessary for the employee or the employee's family.

If an available alternative position for which the employee is qualified accommodates the recurring periods of leave better than the regular employment position of the employee, an elected official, department supervisor, or the County Commission acting by and through the Human Resources Administrator for employees under the County Commission, may require an employee to transfer temporarily to the alternative position provided there is equivalent pay and benefits. If an exempt employee takes unpaid leave for partial or full days, their exempt status under the Fair Labor Standard Act will not be impacted.

#### Section 10-11 Job Benefits and Protection

County-provided health insurance contributions shall continue during an employee's approved FMLA period. If the employee is unable to return to work following the expiration of the FMLA leave, and the employee has exhausted all available paid leave, the employee will be afforded the opportunity to elect COBRA coverage at the employee's expensive.

Section 10-12 Reinstatement. Upon return to work from approved FMLA leave, the employee will be reinstated to his/her position, provided the position has not been eliminated during the leave.

## **SEPARATION OF EMPLOYMENT**

- Employment at Will Retirement
- Reduction in Workforce/Layoff
- Payment upon Employment Separation
- Return of County Property

#### Section 12-1 Employment at Will

Since employment with Franklin County is based on mutual consent, both the employee and the county have the right to terminate at will, with or without cause, at any time. An employee who chooses to resign should give their supervisor written notice stating the reason for leaving as far in advance as possible. The county requests the professional courtesy of a two-week notice.

#### Section 12-2 Retirement

An employee who chooses to retire should give their supervisor written notice as far in advance as possible and contact the Human Resources Department to file their application for retirement at least 30 days, but no more than 90 days from the date it is to be effective. All LAGERS and CERF retirements are effective on the first day of the month.

#### Section 12-3 Reduction in Workforce/Layoff

An elected official or department supervisor may separate an employee for non-disciplinary reasons because of lack of funds, lack of work or the elimination of a department of position after giving proper notice. An elected official or department administrator may appoint an employee who is to be laid off to any existing vacancy in a lower job classification for which the employee is qualified. Employee's qualifications, abilities, and demonstrated individual performance will be considered when determining who will be laid off. The county will provide at least two weeks' notice or equivalent compensation to persons being laid off.

#### Section 12-4 Payment upon Employment Separation

Upon separation of employment due to resignation or death, employees who are not in an introductory status will be paid for unused PTO time that has been earned and accrued up to a maximum of eighty (80) hours. In the event of separation due to death of the employee, compensation will be paid to the employee's beneficiary. In no event shall an employee be paid for unused PTO whose employment is involuntarily terminated. In order to be eligible to be paid for unused PTO an employee's last day worked will be the date for retirement purposes. All employee benefits including, but not limited to, health, dental, vision, and contributions to a retirement plan shall terminate as of the last day of the month at which the employee was physically at work and working a full day in order for the employee to be paid for unused PTO.

#### Section 12-5 Return of County Property

All separating employees are required to return all Franklin County property, materials, equipment, keys, identification cards including commissions for law enforcement personnel, or other written information issued to them or in their possession or control prior to the separation of employment. The county may withhold from the employee's final paycheck the cost of any items that are not returned for or for damaged county property provided that the employee receives at least the current "minimum wage" as required by federal and state wage and hour laws. Benefits otherwise due to the employees may also be withheld. In addition, the county may take legal actions to recover its property.

# IN THE MATTER OF APPROVING AND AUTHORIZING THE DISTRIBUTION OF FRANKLIN COUNTY OPIOID SETTLEMENT FUNDS

**WHEREAS,** the County of Franklin, Missouri, has incurred financial losses to combat the harms of the opioid epidemic including, but not limited to, costs for law enforcement; prosecution; public safety; incarceration; medical care; addiction treatment; counseling and withdrawal services; family protective services; social services; and coroner services due to the misbranding and overabundance of opioids; and

WHEREAS, on January 29, 2019, Franklin County filed a Petition against manufacturers; distributors; pharmacies; pharmacy benefit managers; and physicians legally responsible for the wrongful distribution of prescription opiates and damages caused thereby (the "Defendants") captioned *Jefferson County et al. v. **WHEREAS,** on July 24, 2019, Franklin County's claims were severed from the Petition and remanded to the Missouri Circuit Court, Twenty-Second Judicial Circuit, St. Louis City; and

**WHEREAS,** on October 21, 2019, Franklin County, joined by Jefferson County, filed an Amended Petition against the Defendants captioned *Jefferson County et al. v. Dannie E. Williams, M.D., et al.*, No. 1922-CC00203-01 (the "Amended Petition") seeking damages for reimbursement of expenses for the provision of governmental services expended to combat the harms of the opioid epidemic; and

WHEREAS, on December 20, 2019, Franklin County's claims were further severed and transferred to the Missouri Circuit Court, Twentieth Judicial Circuit, Franklin County, and assigned case number 20AB-CC00006; and

WHEREAS, Franklin County has received Opioid Settlement Funds to abate public costs expended fighting the opioid epidemic and for future costs to finance community efforts aimed at ending the crisis that has caused death, abuse, addiction, crime, and social and familial destruction in Franklin County; and

WHEREAS, the Franklin County Commission hereby finds and determines it is in the best interest of Franklin County to approve and authorize the distribution of Franklin County Opioid Settlement Funds to Franklin County Treatment Court, PreventEd, Franklin County CRUSH Coalition, and HOPE for Franklin County to respond to the serious public health and safety crisis involving opioid abuse, addiction, morbidity, and mortality in Franklin County.

# ESTIMATED BUDGET FOR 2025 TREATMENT COURT (request already submitted with Treatment Court budget request)

APPROVED USE JUSTIFICATION:

A - Expand availability of treatment for OUD, including all forms of MAT.

Section: Support People in Treatment and Recovery

A – Provide counseling, peer support, recovery case management for those who need it to persons with OUD and any co-occurring SUD/MH disorder

A – Provide community support services, including access to housing, supportive housing and recovery housing, transportation services, job training and other recovery services to allow a more full reintegration into the community following addiction treatment, incarceration or otherwise.

Section: Address the Needs of Criminal Justice Involved Persons

A – Support treatment and recovery courts for persons with OUD and any co-occurring SUD/MH conditions, but only if these courts provide referrals to evidence-informed treatment, including MAT.

ITEM	\$ AMOUNT REQUESTED	<b>ACTUAL SPENT</b>
MEDICATION ASSISTED TREATMENT FUNDING — SUB- CONTRACTED THROUGH FREEDOM RECOVERY CENTER  ➤ Extended-Release Injectable Naltrexone (Vivitrol or Sublocade) - \$1530 per monthly injection x 12 months x 2 participants per month = \$36,720  ➤ Medication Services — doctor/nurse services - \$214 per month x 12 months x2 participants = \$5,136	\$41,856	
Case Manager – part-time position – subcontracted (for tx ct program expansion)  Supervise 30 later phased tx ct participants  \$23.50/hr x 20 hours per week x 50 weeks per year = \$23,400  \$2500 = office expenses, sub-contracting fees	\$25,900	
Urinalysis Testing (for tx ct expansion participants)  ➤ 2 UA's per week (\$8.50 per collection) x 52 weeks x 30 clients (Gateway and Redwood)	\$26,520	
Sober Living Expenses for Treatment Court Participants  > \$130 per week x 2 weeks per participant x 31 participants	\$8,000	
TOTAL	\$102,276	

The reason for the slight increase in request is related to the increase in the number of weeks requested for the urinalysis testing. In 2024, we did not ask for a full year of testing. In 2025, we will be asking for a full year.

Also, we quickly ran out of funding for sober living expenses for Treatment Court participants. Thus, we have requested an increase in this funding category in an attempt to cover the gap for 2025.
